

Revise and Practise – Grammar (Pack 1)

This pack has been created to help your child improve their grammar skills.

Many children need to practice their grammar.

By the end of Primary school, children’s grammar and punctuation skills need to be at a high level. They need to have a good grasp of nouns, verbs, adjectives, pronouns, prepositions etc, in order to structure their sentences in interesting and grammatically correct ways. Punctuation such as commas, apostrophes, capital letters, colons etc, must be used correctly within sentences.

How to Use This Pack

Your child can work through this pack at their own pace.

When a page has been completed, work can be marked using the answers sheets.

Tracking Progress

Keep track of progress using the Progress Tracker.

Your child can think about how they found the work and colour in the appropriate face.

I am confident with this.

I found some parts hard.

I found this difficult, I need more practice.
