

Telling the Time

Telling the Time Pack

This pack has been created to help children learn to read and write the time.

It allows children to practise telling the time using an analogue clock and digital clock.

Progression has been incorporated into this pack, as well as opportunities to practise and revise what has already been learnt.

Tracking Progress

Keep track of progress using the Progress Tracker.

Your child can think about how they found the work and colour in the appropriate face.

I am confident with this.

I found some parts hard.

I found this difficult, I need more practice.

Keep the Copyright monster happy!
