

Expanded Multiplication $tu \times tu$ (extra practise)

When working out long multiplication sums, it is always good to find an approximate answer first. 35×19 approx. answer: $30 \times 20 = 500$

You don't have to put the sums in brackets, but it can help you whilst you are learning

	T	U	
	3	5	
x	1	9	
	4	5	(5 × 9)
	2	7	0 (30 × 9)
	5	0	(5 × 10)
+	3	0	0 (30 × 10)
	6	6	5
	1		

Use expanded long multiplication to work out these sums.

1) 39×15

2) 63×29

3) 46×32

4) 55×18

5) 37×25

6) 84×21

7) 41×31

8) 73×52

9) 68×44

10) 29×23

11) 56×28

12) 75×39

13) 96×83

14) 52×51

15) 94×19
